TECHNICAL SKILLS

Languages: Python, JavaScript **Libraries/Frameworks:** Django, Flask, React, Express, Node.js, Bootstrap, Tailwind, Material-UI **Databases:** MySQL, MongoDB, MongoDB Atlas **Tools:** AJAX, HTML, CSS, REST API, Mongoose, Github, Postman, Compass

TECHNICAL PROJECTS

Ninja Network | MongoDB Atlas, Express, React, Node.js | [GITHUB](#)

A social media network designed for developers, connecting them and facilitating collaboration. As the team lead, oversaw the development of the platform using the MERN stack.

- Led full-stack Javascript team to create and deploy Ninja Network.
- Developed user-friendly interface with React.js, enhancing engagement.
- Implemented secure user authentication with Express.js, safeguarding sensitive information.

Big Calendar | MongoDB, Express, React, Node.js | [GITHUB](#)

Solo project using MERN stack for task organization and productivity tracking. Empowers users to enhance productivity and stay focused.

- Created a solo project utilizing the MERN full-stack for task organization and productivity tracking.
- Utilized React.js for intuitive task interface, ensuring seamless user experience.
- Leveraged MongoDB and Mongoose for efficient task tracking and synchronization.

PROFESSIONAL EXPERIENCE

RIDESHARE DRIVER | UBER/LYFT | LAS VEGAS, NEVADA

September 2020 - current

- Demonstrated problem-solving skills through efficient navigation and timely drop-offs.
- Provided seamless, personalized experience for passengers, earning positive reviews.
- Managed transactions and optimized scheduling, showcasing proficiency in digital tools.

CEO/FOUNDER/ENGLISH TEACHER | CREATIVE ENGLISH | CHENGDU, SICHUAN, CHINA APRIL 2014 - MARCH 2020

- Launched and scaled an innovative English learning institution in China, overseeing all operations and driving growth.
- Implemented cutting-edge technology to enhance learning experience, including interactive online platforms, gamified lessons, and virtual classrooms.

EDUCATION

Coding Dojo | Full-Stack Developer Certificate in Python and MERN
Stevens Henager Community College | Provo, Utah
